

Selling Your Home?

If you're looking to net the most money when you sell your home, Partners In Charity (PIC) can help. PIC is a national down payment assistance program which gifts the down payment to buyers. More qualified buyers are able to purchase your home and, in most cases, buyers are offering sellers full sales price on their homes.

As a seller, having more qualified buyers and receiving full sales price helps you to net the highest profit from your sale. Also, you can look forward to selling your home in approximately 1/3 the time it would have taken without PIC. That means reduced marketing and advertising expenses. The best part is PIC is simple and easy to use.

If you're looking to sell your home fast, easy and profitably, let the PIC program show you the money!

PIC will show you the money!
